DIGITAL LEARNINIG RESOURCES

We are using great tools for assigning group projects, as students can easily collaborate with others in their group. and also streamlines the communication among students so they can work together from remote locations, so students can share files with each other. We are using

1. National Science Digital Library,
2. National Science Resources Center Science Netlinks ,
3. Science Education Resource Center,
4. The Library of Congress ,
5. The National Archives' Digital Classroom
6. Teachinghistory.org,
7. National Council for the Social Studies
8. Youtube,
9. Slideshare,
10. ClassDojo,
11. Educreations,
12. Google G sute,
13. Edublogs

For digital learning resources and some other online e-books, and digital library is also available for our institution.
